Pricing valid as of 3rd January 2025.

\* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1st April 2024. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1st April 2024.

From 6th April 2020, the official CO<sub>2</sub> emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6th April 2020. These charges may differ from any charges displayed or quoted before 6th April 2020.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

# VED (Vehicle Excise Duty) from 1st April 2024

VED Band	CO <sub>2</sub> (g/km)	Petrol car/diesel car* (tax class 48 and 49) 12 months	Diesel car** (tax class 49) 12 months	Alternative fuel car (tax class 59) 12 months
A	0	£0	£0	£0
B	1-50	£10	£30	£0
C	51-75	£30	£135	£20
D	76-90	£135	£175	£125
E	91-100	£175	£195	£165
F	101-110	£195	£220	£185
G	111-130	£220	£270	£210
H	131-150	£270	£680	£260
I	151-170	£680	£1,095	£670

K	191-225	£1,650	£2,340	£1,640
L	226-255	£2,340	£2,745	£2,330
M	over 255	£2,745	£2,745	£2,735

## OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

## VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO<sub>2</sub>) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO<sub>2</sub> figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

\* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards.

\*\* This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £410 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

# Benefit in Kind example

Based on  
Scala SE Edition 1.0 TSI 95PS

<b>P11D value</b>		<b>£22,465.00</b>
<b>Company car BiK tax based on CO<sub>2</sub> emission level</b>		<b>28%</b>
<b>Taxable BiK (for 2024/25 tax year):</b>	28% of £22,465.00	<b>£6,290.20</b>
<b>Annual company car tax (2024/25)</b>		
<b>20% income tax</b>	20% of £6,290.20	<b>£1,258.04</b>
<b>40% income tax</b>	40% of £1,258.04	<b>£2,516.08</b>
<b>Monthly company car tax (2024/25)</b>		
<b>20% income tax</b>	£1,258.04 divided by 12 months	<b>£104.84</b>
<b>40% income tax</b>	£2,516.08 divided by 12 months	<b>£209.67</b>

Company car tax is based on the vehicle's carbon dioxide (CO<sub>2</sub>) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

## P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

## BiK (Benefit in Kind)

The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2024/25.

# Add beauty to duty

We believe your companion for everyday mobility should bring you joy and excitement. Especially with its looks. The Scala combines sporty style and empowering functionality, building on the long heritage of Škoda family cars.

## Extended tailgate glass

Personalise your Scala by extending the tailgate glass down beyond the lettering.

## Panoramic roof

From the outside, the panoramic sunroof embodies the sleek, stylish design of the Scala. From within, it brightens the interior and opens the view of the sky above.

## Matrix LED headlights

As eye-catching as they are practical. The crystal-structured three-dimensional design is one of the most prominent visual features of the car, while advanced LED Matrix technology improves visibility for the driver.

# Inner strengths

The focal point of the Scala's interior is the 8" Digital Display, accompanied by the 8.25" Škoda Infotainment display in the middle of the dashboard. The dashboard itself draws attention with a choice of new upholstered décors made of fabric, microsuede or Carbon-look materials. These are matched by the redesigned seat upholstery for all trim levels.

Models shown are not UK specification. Some of the equipment shown is optional.

**Virtual cockpit**  
10.25" digital display replaces the traditional instrument dials and can be customised with five views (Classic, Basic, Extended, Modern and Sport).

**Ambient lighting**  
The new ambient lighting with two switchable colours - white and red - underscores the stylish look.

**Climate control air conditioning**  
It is now easier than ever to maintain a comfortable climate on board. The Climatronic air conditioning system is fitted with a pair of buttons that allow you to adjust the airflow without taking your eyes off the road.

**2 front and 2 rear USB-C ports**  
With a pair of 45W fast-charging USB-C slots for both front and rear passengers, you can keep your devices charged at all times with ease.

# Innovation at every turn

# The world at your fingertips

Your Škoda vehicle is your everyday companion – and thanks to MyŠkoda Essentials application you can go even further in interaction with your vehicle.

Depending on your equipment and activated packages, you can, for example, display your vehicle's parking location or make it blink its lights and honk; remotely lock, unlock your car or display notifications about low oil and wiper fluid level or active your air conditioning. This service is complimentary with your new Scala for the first 3 years.

### Stay connected

Stay connected wherever you are. Being permanently online means always having access to entertainment, information, and possible assistance while on the move. Škoda Connect is your gateway to a world of unlimited communication options.

### Smartlink

With the SmartLink feature, supporting Apple CarPlay and Android Auto, the car's infotainment system allows you to use your phone safely while driving.

### Navigation system

Stay up to date with Online Traffic Information, saving you the time and stress of sitting in traffic jams. If enabled, the navigation system will automatically recalculate your route to ensure you arrive at your destination just in time.

### Emergency call

In the event of an emergency on the road, the Scala will automatically send an SOS signal for help to give you that extra peace of mind. It can also be activated manually by pressing the red button in the roof headlining.

Images shown may not be UK specification. Some of the equipment shown is optional.

# Space to savour

Wherever your exploring takes you, it always helps to have space for everything. Even better to have things well-organised and secured safely. With 467 litres of luggage space and various clever storage solutions, you'll never have to leave anything behind.

As you would expect from Škoda, Scala features one of the largest luggage compartments in its class. Combined with a roomy interior, it makes all passengers, front and rear, feel comfortable even on long journeys.

Images shown may not be UK specification. Some of the equipment shown is optional.

**Jumbo box**  
The Jumbo Box is extremely handy for holding cups, as well as storing your gadgets, house keys and books.

**Bag hooks**  
The Scala is kitted out with lots of smart solutions like bag hooks in the boot to ensure everything stays safely in place.

**Cargo elements**  
The easy way to secure larger items. Cargo elements are fixed to the floor using Velcro and can be folded into any angle.

**Net programme**  
Have everything you need secure and in sight. This set of three nets prevents your items from moving around while keeping them visible.

# Safe to the core

You can encounter various things on the road. To ensure that the car is ready to handle all situations that may occur en route, additional assistants with multiple functions are on hand to help the driver.

## Hidden protection

A high level of safety and protection for passengers is vital in the development of modern Škoda cars. The Scala can be equipped with up to 9 airbags.

## Matrix LED headlights

The LED Matrix headlights feature Matrix Beam Function. This allows you to use the high beams continuously, without blinding other drivers. Using a windscreen camera, the Matrix Beam Function detects oncoming traffic and turns off the corresponding segments of the beam. While other segments are left on to illuminate the road.

## Front Assist

Front Assist is designed to monitor the distance from the vehicle ahead, including automatic slowing down and braking. It warns the driver of the danger of collision or, if a collision is inevitable, minimises its consequences by braking.

## Rear parking sensors

The sensors integrated in the rear bumper monitor the car's distance from any obstacles. Acoustic and visual signals are activated when parking or prompted by the driver.

## Lane assist

This system is designed to keep the vehicle in its lane and, if necessary, alert the driver of an unwanted lane change.

Images shown may not be UK specification. Some of the equipment shown is optional.

## Scala SE Edition

Packed with technology and increased driver assist systems, the SE Edition delivers uncompromised safety and enjoyment behind the wheel.

### Standard equipment

#### Wheels

- > 16" Nyota alloy wheels
- > Wheel bolts with anti-theft protection

#### Exterior

- > Metallic paint
- > Full LED headlights with LED daytime running lights
- > Front and rear fog lights
- > Rear LED lights

#### Interior

- > 'Loft' interior with black/grey upholstery
- > 2-spoke leather multi-function steering wheel (with paddles for DSG)
- > Height adjustable front seats with lumbar support

#### Entertainment and communication

- > 9.2" Škoda navigation display
- > 10.25" virtual cockpit
- > Care Connect and Infotainment Online for 3 years
- > Wireless Smartlink
- > 4x USB-C fast-charging ports

#### Safety and security

- > Alarm with interior monitoring, back-up horn and towing protection
- > ISOFIX-preparation for back seats
- > Front assist and lane assist
- > Emergency call
- > Hill hold control

#### Comfort and convenience

- > 8" digital instrument display
- > Traffic sign recognition
- > Dual-zone air conditioning
- > Rear parking sensors
- > Rear view camera
- > Cruise control
- > Keyless Start/Stop

17" Stratos silver alloy wheels

Keyless entry

'Loft' interior with black/grey fabric upholstery

Rear centre arm rest

Privacy glass with chrome window surround

Heated front seats

## Scala SE L Edition

Adding depth to the generous SE Edition specification, SE L Edition brings technological and material refinements that really make your journey.

### Standard equipment (over SE Edition)

#### Wheels

- > 17" Stratos alloy wheels

#### Exterior

- > Rear LED lights with dynamic turn indicators
- > Chrome window frame surrounds
- > Privacy glass

#### Interior

- > 'Lodge' interior with black fabric/grey microsuede upholstery
- > Grey microsuede decorative inserts with copper hotstamping
- > Heated front seats
- > Ambient lighting in white/red
- > Rear centre armrest

#### Comfort and convenience

- > Keyless entry and start/stop
- > Front and rear parking sensors
- > Drive mode select
- > Light and rain sensors
- > Electrically adjustable, folding and heated door mirrors

\* Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 3rd January 2025. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see [skoda.co.uk/owners/wltp-info](https://skoda.co.uk/owners/wltp-info) or consult your retailer.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

\*\* Please note, if a tow bar or tow bar preparation is not fitted on the car, the VIN plate may not show any towing weights and the car will never be eligible for towing.

As such it may not be possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your Retailer to confirm the exact towing eligibility.

## Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

- 1. Part exchange your car for a new Škoda on a Solutions contract.
- 2. Pay the optional final payment to own the car.
- 3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply. Škoda Financial Services.

## Škoda Car Insurance

### Complimentary Škoda Drive Away Insurance

Every new and Approved Used Škoda comes with five days' complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. Škoda Drive Away Insurance is designed specifically for your Škoda and guarantees that your car will be repaired in a Škoda Approved Repairer. Speak to your Škoda Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Škoda Car Insurance offers.

Read on for more details.

## Škoda Car Insurance

Škoda Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Škoda. Just as you'd expect from Škoda, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts\*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

\*Excludes windscreen claims.

There's a lot to like about being a Škoda driver.

Get a quote or find out more at [insurewithskoda.co.uk/car-insurance](https://insurewithskoda.co.uk/car-insurance)

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

Škoda Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

## Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

### Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a Škoda Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost Škoda Financial Services.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

## Service intervals

When you order your Scala, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.
